

I am writing regarding the LPFM proposal. Klove radio station would be affected by this. I listen to Klove in my community. I am afraid that if the LPFM proposal happens, that it will affect my listening ability and I would be very unhappy if it was not available to me. Klove is a wonderful station and is encouraging and positive in a time when there are so many stations that are negative in content. My children listen to Klove and I know there is never anything on it that they can't hear. Klove helps encourage those who are in need of encouragement and gives hope of better things. Klove is a family friendly station with wholesome values. Theresa Moss-Currier
